### **All players families are expected to join the TD Club**

The TD Club also has financial obligations that we are responsible for and we happily undertook in order to make Parkview Football the best football program in Gwinnett County and to enable the team to be competitive with 7-A programs throughout the state. This includes a state-of-the-art weight training facility, locker rooms, Speed training and well-kept stadium. The boys are also given the highest quality equipment, helmets, and girdles for use through the season; as well as Nike cloth items to keep. They are also fed many times throughout the year. We do everything we can to help the boys perform at their very peak and still keep costs down.

We are sympathetic to the economy and understand that many families have a difficult time with extra expenses. This is why we offer opportunities for boys to earn their membership fees. Families have the option to sell extra discount cards and/or pay by the month so that you can take several months to pay the membership.

On behalf of the entire Parkview community, **“THANK YOU”** for your continued patronage
